

Hawaii Palms **SPRING KIDS PROGRAM!!**

This spring, Hawaii Palms English School will have a two-week Kids Program! We have scheduled some original activities, such as kids gymnastics, cooking lessons, and our new Airplane Adventure at Pearl Harbor. Our English lessons focus on oral communication and our activities on Hawaiian culture and nature, so students are able to experience “the real Hawaii”. English classes are small – we limit the number of students to 10 per class – so students can get more personal attention from their teacher. With English programs for kids’ older siblings (Teens Program) as well as Elective Classes for parents, Hawaii Palms English School is perfect for the entire family!
