Hawaii Palms

# Spring Teens Program!!

This spring, Hawaii Palms English School will have a two-week Teens Program! We have scheduled some fun and educational activities, such as cooking lessons in Makaha and an ukulele factory tour. Our English lessons focus on oral communication and our activities on Hawaiian culture and nature, so students are able to experience “the real Hawaii”. English classes are small – we limit the number of students to 9 per class – so students can get more personal attention from their teacher.
