ENGLISH LESSONS AND ACTIVITIES AT HAWAII PALMS ENGLISH SCHOOL

STUDY: DAILY CLASSROOM ENGLISH LESSONS

Interactive, conversation-based English lessons are held at school every day. Classes are between 2 and 3 hours long, depending on the activity planned for the day. The target language is always based on the day's field trip and the focus is on active student participation.

ENGLISH LEVEL: Most students in the program are beginner/low-intermediate, but we welcome students of all levels who wish to practice their English.

Small Classes - no more than 10 students per class

"Learned so many things through activities, teachers and friends. Thank you!"

EXPLORE: DAILY FIELD TRIPS

Fun, educational, and cultural field trips are planned every day. Our activities are an important part of a daylong English lesson, where students and teachers can interact in English outside of the classroom. During field trips, students practice the day's target language in more natural settings while learning about Hawaii, its people, and culture.
