IV. READING COMPREHENSION: Read the following passages and answer the questions below.

My name is Chris. I come from a large family, and I share personality traits with several family members. But it's clear to me that I'm most like my grandfather, although we're different in some ways, too.

My grandpa and I both like to spend time outdoors. We both enjoy riding our bikes and watching sports. We're adventurous, too. I really like to go fishing with my grandfather. We'll catch our dinner together, then cook and eat it at our campsite. We also enjoy working in his garden to grow fruits and vegetables.

It's a different story when winter comes. Unlike my grandfather, I love being outside in the snow. I like to have snowball fights with my friends, but he prefers to sit by the fire and read. We sometimes play cards, but I don't really enjoy that very much. I'm too energetic to sit for so long! On the other hand, I have fun playing video games with him because I'm very competitive. My grandfather isn't competitive at all. He's also sort of slow.

But it doesn't really matter what we do together. I just like spending time with my grandfather. We're a good fit!

1. What do Chris and his grandfather eat at their campsite?

2. Does Chris' grandfather like spending time outdoors in the winter?

3. Why isn't Chris' grandfather so good at playing video games?

4. Do you think the writer and his grandfather are more similar or more different? Why?
