Textbook: Impact

Daily classroom lessons & activities

"My son could learn difficult vocabulary
for the first time by following the
textbook. He worked on homework by
himself every day after school!
His listening skill has improved.
We can't wait to come back!"

EXPLORE: DAILY FIELD TRIPS

Beach Fun

Hiking

Fun, educational, and cultural activities.

Students from both programs join daily activities together.
Students and teachers interact in English outside of the classroom.

Practice the day's target language in more natural settings.

Learn about Hawaii, its people, geography, and culture.
