

**KIDS PROGRAM**  
**ENGLISH ONLY & PROGRAM AGREEMENT**

Initial I agree to explain to my child that they must **make an effort** to speak English at all times while they are at school.

Initial If my child doesn't understand, I will encourage them to say, "Teacher, I don't understand" instead of asking for help in their native language.

Initial I understand that this might be challenging for my child, but I agree that trying to maintain an English Only environment benefits all students.

Hawaii Palms will encourage students to **try their best** to speak English. However, if my child does not make an effort and their behavior disrupts the program, I agree that the school may take the following steps:

Verbal Warning 1

Verbal Warning 2

Verbal Warning 3

Student removed from group for 5 – 10 minutes, based on teacher's discretion

Student to meet with Academic Director, School Principal, or School Manager

Student to write a letter to explaining what happened, with supervision of school staff

Student to sit out part/all of next activity, per teacher's and school staff's discretion

Student and parent(s) to meet with Academic Director or School Principal

- I understand that learning a language takes time and effort on my child's part.
- I commit to supporting my child's English education, monitoring their behavior, and maintaining open communication with Hawaii Palms English School.
- While the Kids Program and Teens Activity Plus are designed to be **fun** and **interactive**, I will ensure my child remains respectful of their classmates and teachers, and behaves in a way that is not disruptive to the program.
